Dear Mr. Gonzalez:

As you are aware, on November 15, 2004, the Newark Municipal Council designated Hudson United Bank as an approved depository for City funds. We are pleased that our lending record was found to be satisfactory and met the City's criteria.

With interest rates at record lows in 2004, it has been difficult for all municipalities to make their budgeted interest income revenue. At this time, Hudson United would like to extend a special interest rate to the City of Newark because of our long partnership and to celebrate the reinstatement.

Hudson United has created a special money market for the City of Newark paying 2.50% on $1 million or more. This is up to 0.50% higher than the competition is paying. There is no dollar maximum in the account so potential interest to the City is significant. We offer a money market because this allows all of the City's funds to remain 100% liquid. Also, Hudson United Bank will not charge any fees to this account.

I anticipate the City taking advantage of this premier rate. I will call you this week to set up the account and look forward to continuing our commitment to the City of Newark. If you have any questions you may call me directly at (201) 216-0987.

Sincerely,

Michael Pisano
Vice President
